(more definitions)

What is **GRASSROOTS** lobbying?

Rule 2.2.2 (a) states:

If an activity that could otherwise be considered lobbying is performed by an employee only once a year, and the employee is not paid solely to lobby, then that activity is not considered lobbying. This exclusion from lobbying covers “grassroots” lobbying by employees of an organization who contact members of the organization in response to a piece of legislation or rule.

What is a **CONTRIBUTION**?

Lobby Rule 1.2 states:

“Contribution” means a gift, subscription, loan, advance, or deposit of money or anything of value and includes a contract, promise, or agreement, whether or not legally enforceable, to make a contribution. “Contribution” also includes the compensation and reimbursement for expenses of a person required to file a disclosure statement under section 24-6-302, C.R.S.

Do I need to report this **EXPENDITURE**?

24-6-301(2), C.R.S., states:

“Expenditure” means a payment, distribution, loan, advance, deposit, or gift of money or anything of value and includes a contract, promise, or agreement, whether or not legally enforceable, to make an expenditure.

What is a **STANDARD**?

Lobby Rule 1.13 states:

“Standard” means a criterion measuring acceptability, quality, accuracy, weight, or an amount, or a threshold for agency jurisdiction adopted by a state agency having rulemaking authority.

What is a **RATE**?

Lobby Rule 1.7 states:

“Rate” means a ratio of valuation, percentage change, annual adjustment, or an amount charged for a good or service, adopted by a state agency having rulemaking authority.

Section 24-6-301(3.5), C.R.S.

3.5 (a) "Lobbying" means communicating directly, or soliciting others to communicate, with a covered official for the purpose of aiding in or influencing:

(I) The drafting, introduction, sponsorship, consideration, debate, amendment, passage, defeat, approval, or veto by any covered official on:

(A) Any bill, resolution, amendment, nomination, appointment, or report, whether or not in writing, pending or proposed for consideration by either house of the general assembly or committee thereof, **whether or not the general assembly is in session**;

(B) Any other matter pending or proposed in writing by any covered official for consideration by either house of the general assembly or a committee thereof, whether or not the general assembly is in session;

(II) Repealed,

(II.5) The preparation of an initial fiscal impact statement required by section 1-40-105.5, C.R.S.; *(Note: 1-40-105.5 contains the definition of initial impact statement.)*

(III) The convening of a special session of the general assembly or the specification of business to be transacted at such special session;

(IV) The drafting, consideration, amendment, adoption, or defeat of any rule, standard, or rate of any state agency having rule-making authority.

3.5 (b) Subject to the exclusions and provisions of this paragraph (b), for the purpose of determining when contributions and expenditures become reportable in disclosure statements, "lobbying" includes activities undertaken by the person engaging in lobbying and persons acting at his request to prepare for lobbying which in fact ultimately occurs, provided:

(I) No such reports shall be required for activities occurring prior to the preceding fiscal year;

(II) Expenditures shall not be reported when such expenditures are incurred by a person in the ordinary course of the business or affairs of such person and are not made for lobbying. Such nonreportable expenditures will include, but not be limited to, the keeping of books of account and the routine collection of statistics and other data.

Section 24-6-301(3.5), C.R.S.

3.5(c) "Lobbying" does not include communications made by a person in response to a statute, rule, regulation, or order requiring such a communication.

3.5(d) (I) "Lobbying" does not include communications by a person who appears before a committee of the general assembly or a rule-making board or commission solely as a result of an affirmative vote by the committee, board, or commissioner issuing a mandatory order or subpoena commanding that the person appear and testify, or making such a person a respondent in such a proceeding whether or not the person is reimbursed by the committee, board, or commission for expenses incurred in making such appearance.

(II) (Deleted by amendment, L. 2004, p. 431, Section 1, effective August 4, 2004.)

(III) (A) Legislative declaration. The general assembly hereby declares its support of the "Colorado Sunshine Act of 1972" and the open process that it has brought to the legislative process in Colorado. The general assembly's intent in enacting this subparagraph (III) is to achieve a more uniform application of the lobbying laws to witness testimony and to clarify the ability of the public to provide testimony to the general assembly and to state agencies.

(B) "Lobbying" excludes persons who are not otherwise registered as lobbyists and who limit their activities to appearances to give testimony or provide information to committees of the general assembly or at public hearings of state agencies or who give testimony or provide information at the request of public officials or employees and who clearly identify themselves and the interest for whom they are testifying or providing information.

3.5(e) "Lobbying" does not include communications made by an attorney-at-law when such communications are made on behalf of a client whose name has been identified and when such communications constitute the practice of law subject to control by the judicial branch of the state of Colorado.

3.5(f) "Lobbying" does not include duties performed by employees of the legislative department.
