

STATEMENT OF SUFFICIENCY
Proposed Initiative 2015-2016 #140 "Presidential Primary Election"

August 24, 2016

On August 8, 2016, the proponents and designated representatives of Proposed Initiative 2015-2016 #140 ("Presidential Primary Election") submitted 152,213 petition signatures to the Secretary of State. After reviewing a five-percent random sample of the submitted signatures, the Secretary of State projected the number of valid signatures to be greater than 110 percent of the total number of signatures required for placement on the ballot.

Random sample verification summary:

Total number of qualified signatures submitted	152,213
5% of qualified signatures submitted (random sample)	7,611
Total number of entries accepted (valid) from the random sample	5,486
Total number of entries rejected (invalid) from the random sample	2,125
Number of projected valid signatures from the random sample	109,715
Total number of signatures required for placement on ballot	98,492
Projected percentage of required valid signatures	111.39%

Because the random sample verification established that the projected number of valid signatures totals 111.39 percent of the amount required for placement on the ballot, Proposed Initiative 2015-2016 #140 is sufficient and will be certified to the 2016 general election ballot.

Dated August 24, 2016.
