# WHEN YOU VOTE IN THE COLORADO PRIMARY, YOU CAN ONLY VOTE ON **ONE** BALLOT.

## VOTE ON ONE

---

As an Unaffiliated Voter, you can now participate in the Colorado Primaries. However, the law only allows you to vote in one primary. Here is how it works:

- You can choose now to receive one ballot (Democratic or Republican) in the mail at [UChoose.co.gov](https://UChoose.co.gov)
- Picking the ballot of a political party does not affiliate you, it just allows for you to have one ballot mailed to you
- If you do not choose a ballot now, don't worry. Just know you will receive both ballots in the mail. But remember to fill out only one
- Ballots will be mailed the first week of June

*Ahora, los votantes sin afiliación (Unaffiliated Voters) en Colorado pueden votar en las elecciones primarias del estado. Para más información en español, visite [UChoose.co.gov/espanol](https://UChoose.co.gov/espanol)*
