August 19, 2022

On August 4, 2022, the proponents and designated representatives of 2021-2022 Proposed Initiative #108 ("Dedicated State Income Tax Revenue for Affordable Housing Programs") submitted 230,748 petition signatures to the Elections Division of the Secretary of State's office. After reviewing a five-percent random sample of the submitted signatures, the Elections Division of the Secretary of State's office projected the number of valid signatures to be greater than 110 percent of the total number of signatures required for placement on the ballot.

Random sample verification summary:

Total number of qualified signatures submitted	230,748
5% of qualified signatures submitted (random sample)	11,538
Total number of entries accepted (valid) from the random sample	7,454
Total number of entries rejected (invalid) from the random sample	4,084
Number of projected valid signatures from the random sample	149,072
Total number of signatures required for placement on ballot	124,632
Projected percentage of required valid signatures	119.61%
