### **What is this about?**

Secretary Williams is reviewing the Rules Concerning General Policies and Administration in accordance with section 24-4-103.3, C.R.S. The most helpful comments will reference issues within the scope of the rule review criteria outlined below, cite specific sections of the rules, and explain the reason for a recommended change.

For the rule review, the Secretary of State will consider:

1. Whether the rule is necessary;
2. Whether the rule overlaps or duplicates other rules of the agency or with other federal, state, or local government rules;
3. Whether the rule is written in plain language and is easy to understand;
4. Whether the rule has achieved the desired intent and whether more or less regulation is necessary;
5. Whether the rule can be amended to give more flexibility, reduce regulatory burdens, or reduce unnecessary paperwork or steps while maintaining its benefits;
6. Whether the rule is implemented in an efficient and effective manner, including the requirements for the issuance of permits and licenses;
7. Whether a cost-benefit analysis was performed by the applicable rule-making agency or official in the principal department pursuant to section 24-4-103 (2.5), C.R.S.; and
8. Whether the rule is adequate for the protection of the safety, health, and welfare of the state or its residents
