Statement of Basis, Purpose, and Specific Statutory Authority

Office of the Secretary of State Rules Concerning Lobbyist Regulation 8 CCR 1505-8

December 13, 2019

I. Basis and Purpose

This statement explains proposed amendments and recodification of the Colorado Secretary of State rules concerning lobbyist regulation.¹ The rules are intended to ensure uniform and proper administration, implementation, and enforcement of Colorado laws regarding lobbyist regulation² as follows:

In general, rules duplicative of statute have been repealed to match departmental rulemaking standards. Footnotes have also been repealed to match departmental rulemaking standards. Those rules remaining have in some cases been re-ordered to better clarify what is required by rule.

Specific proposed changes include:

- Repeal of current Rules 1.1 through 1.3. These rules are duplicative of statute and do not match departmental rulemaking standards.
- Relocation of current Rule 1.3.2(g) to New Rule 2.2.2(a) to better clarify what is required by rule.
- Repeal of current Rule 1.4. This rule is duplicative of statute and does not match departmental rulemaking standards.
- New Rules 1.1 through 1.4 to ensure uniform and proper administration of lobbyist regulation law in Colorado. We received written comments and testimony on new Rule 1.4 which were concerned that this rule expanded the information that professional lobbyists would need to disclose beyond that currently required by law. Current law, however, already requires that lobbyists disclose work on legislation, regardless of whether or not the general assembly is in session. *See* section 24-6-301 (3.5)(a)(I)(A), C.R.S. (lobbying includes communicating with a covered official on legislation “whether

² Part 3 of Article 6 of Title 24, C.R.S. (2019).

or not the general assembly is in session”). This rule does not expand on this statutory requirement.

- New Rules 1.8 through 1.9 to ensure uniform and proper administration of lobbyist regulation law in Colorado.
- Repeal of Rule 1.10. This rule is duplicative of statute and does not match departmental rulemaking standards.
- New Rules 2.2 through 2.3 to prescribe the proper use of the electronic filing system maintained by the Secretary of State.
- New Rule 2.4 to better enforce lobbyist regulation law in Colorado.
- Amendments to renumbered Rules 2.5 and 2.6 (formerly Rules 2.2 and 2.2.2) to better prescribe the proper use of the electronic filing system maintained by the Secretary of State and to remove duplicative references to statute to better match departmental rulemaking standards. We received written comments and testimony on several of these rule changes which were concerned that these rules expanded upon the activities that lobbyists are currently required to disclose. However, all of the elements of a monthly disclosure statement and annual disclosure statement found in Rule 2.5 and 2.6 are required by statute. *See* section 24-6-302 (2.5), C.R.S. (monthly statement required); section 34-6-302 (3), C.R.S. (annual statement required); 24-6-301 (1.9), C.R.S. (outlining the required elements of a disclosure statement). These rules do not expand on these statutory requirements.
- Amendments to renumbered Rules 2.7 and 2.8 (formerly Rules 2.2.3 and 2.2.4) concerning new client disclosure and disclosure requirements during the session, to ensure uniform and proper administration of lobbyist regulation law in Colorado, to implement changes required by HB 19-1248, and to remove duplicative references to statute to better match departmental rulemaking standards. We received written comments on these rules asking for clarification of how to file 72-hour reports during the session. Our office will post guidance on the lobbyist program website before the beginning of the next legislative session regarding compliance with this new statutory requirement in the electronic filing system.
- Amendments to Rule 3.2.2 to better prescribe the proper use of the electronic filing system maintained by the Secretary of State and to remove duplicative references to statute to better match departmental rulemaking standards.
- Amendments to Rule 4 to better prescribe the enforcement process the department will take when enforcing lobbyist regulation law in Colorado.
- Amendments to Rule 4.1 to remove duplicative references to statute to better match departmental rulemaking standards.
- Repeal of current Rule 4.2. The waiver process has been restated and moved to Rule 5.

- Repeal of current Rules 4.3 through 4.5. The entire enforcement process has been restated and reordered in Rule 4.
- Amendments to Rule 5 to better prescribe the enforcement process the department will take when enforcing lobbyist regulation law in Colorado, and more specifically, prescribing the process by which the department may grant waivers or reduction of penalties associated with enforcing lobbyist regulation law in Colorado.
- Repeal of current Rule 6. This rule is duplicative of statute and does not match departmental rulemaking standards.
- New Rule 6 to ensure uniform and proper administration of lobbyist regulation law in Colorado.

Other changes to rules not specifically listed are non-substantive and necessary for consistency with Department rulemaking format and style. Cross-references in rules are also corrected or updated.

Written comments received during the formal rulemaking are available online at: https://www.sos.state.co.us/pubs/rule_making/hearings/2019/LobbyistRulesHearing20191115.html. An audio recording of the public rulemaking hearing is also available online at <http://pub.sos.state.co.us/20191115130410B>. This audio record and written comments are incorporated into the official rulemaking record.

In a separate effort, the Secretary of State’s Lobbyist Program is developing a policy manual to help lobbyists understand and comply with those legal requirements set out in the constitution, statute, and rule. Our office will provide more details and make the manual available to stakeholders online as soon as possible upon conclusion of this rulemaking proceeding.

II. Rulemaking Authority

The statutory and constitutional authority is as follows:

- Section 24-6-303(6.3)(a), C.R.S., (2019), which authorizes the Secretary of State to adopt rules concerning the manner in which reports filed by lobbyists may be filed electronically, including but not limited to the information to be contained in such reports, the procedure for amending such reports, and public access to the electronic filing system.
- Section 24-6-305(2)(b), C.R.S., (2019), which authorizes the Secretary of State to adopt rules and regulations to define, interpret, implement, and enforce the provisions of and to prevent the evasion of the requirements of the Colorado lobbyist regulation law (Part 3, Article 6, Title 24 of the Colorado Revised Statutes).

Statement of Justification and Reasons for Adoption of Temporary Rules

Office of the Secretary of State Rules Concerning Lobbyist Regulation 8 CCR 1505-8

December 13, 2019

In accordance with Colorado Laws Regarding Lobbyist Regulation,¹ the Secretary of State finds that recodification of the existing Rules Concerning Lobbyist Regulation must be adopted and effective January 1, 2020 to ensure the uniform and proper administration and enforcement of Colorado Laws Regarding Lobbyist Regulation.

Adoption of these rules on a temporary basis is necessary to implement legislation recently passed by the General Assembly, specifically HB 19-1248. This legislation is effective January 1, 2020. Temporary adoption is necessary to provide clear guidance to interested parties, including, but not limited to: professional lobbyists, lobbying firms, volunteer lobbyists, lobbyist clients, state liaisons, and the general public.

For these reasons, and in accordance with the State Administrative Procedure Act, the Secretary of State finds that temporary adoption of the amendments to existing Rules Concerning Lobbyist Regulation is imperatively necessary to comply with state and federal law and to promote public interests.²
