Hon. Scott Gessler  
Colorado Secretary of State  
1700 Broadway, Suite 200  
Denver, CO 80290

Dear Secretary Gessler,

Please accept the following written comments in support of the proposed changes to Secretary of State Election Rule 43 regarding County Security Procedures.

Our office appreciates the reasonable approach to security procedures and the efforts of you and your staff in drafting the revisions.

I would suggest that a visual tutorial concerning the placement of seals per system type would be an added benefit to the counties to ensure that requirements are being interpreted consistently.

Also, if alternative secured ballot delivery options (Rule 43.2.7) could be proposed to be approved by Secretary of State's office, that option would be appreciated for counties with limited staffing.

Sincerely,

Nancy R. Amick  
Rio Blanco County Clerk
