Subject: Hart comments on Revised Draft of Proposed Rules 10.8 and 10.9

Secretary Gessler,

In order to anticipate how to serve Colorado customers in the future and better understand the changes in *Revised Draft of Proposed Rules 10.8 and 10.9*, we respectfully request clarification on the following:

- What is meant by “batch?”
- What is meant by “dissociate?”
- How does the State propose implementing risk-limiting audits as per §1-7-515 (2)(a) C.R.S. under these rules?

Thank you for this opportunity to have our questions considered and we look forward to the responses.

If you have any additional clarification questions for us, please don't hesitate to contact me.
