Subject: 1.1.13 rule change: Pease forward to Scott Gessler

Dear Mr. Gessler;

Any rule change that mitigates the role of citizens in the election process is bad news for Colorado. It is unimaginable that you are seriously promoting this change. It would be nice to understand your motivation, but as a former El Paso County Leader for True the Vote, I would be unlikely to see your point of view. I certainly hope that you will abandon this quest.

Tammy Beckwith-Hare
