I have been a Notary Public since 1983

After Gessler made changes I have been unable to renew. I paid the fees and made several attempts to renew on line and twice in person. To be quite frank I'm Mad as hell over Gesslers changes!!!

They took my fees twice and I still expired on 1-27-2014. I NEVER had a complaint concerning my Ethics as a Colorado Notary for 30 YEARS!! One time over one signature.

This has been a real issue and inconvenience as I do work with Veterans and low income families, who Frankly are Burdened now.

I would like a response from the S.O.S and be reinstated with my Notary for another 30 Years, God willing. I would appreciate your response and I would like to have my expiration day to remain the same.

I hope you will take my problem into consideration. I have surely missed my NOTARY stamp!

Thank You and I will be awaiting your response. R. A. Gessner expired 1/27/2014

Richard Gessner
