Subject: Help shape Notary Rules

I agree with proposed changes as outlined:

Recodify the rules to improve organization and readability.

- Revise rules to be consistent with section 12-55-104(2), C.R.S., by:
 - o Removing erroneous statutory citations and references to journals; and
 - o Clarifying that the Secretary of State provides document authentication numbers to notaries for electronic notarizations.
- Amend rules to require vendors to report their students' names on a monthly basis.
- Harmonize enforcement provisions concerning vendors and course providers.
- Edit to repeal obsolete rules and to remove language duplicative of statute.
- Non-substantive revisions to simplify or clarify words and phrases and other technical revisions as is necessary for consistency with Department rulemaking format and style.
