Subject: Help shape Notary Rules

To Whom It May Concern:

When recoding the rules for Notary Publics, you should put in the beginning of the rules that Notaries are only there to verify the signatures and not the contents of the documents. Many Notaries are unclear about what they are notarizing. I have talked to many notaries and had to clarify that they are not checking the contents of the documents only the signatures.

Thank You

Sincerely,

Charlene Kirby
Notary
