Suggested rule changes:

Section 2.1.2 - The last Section sentence is significant. It should be removed from this paragraph and become a stand-alone paragraph/section. The paragraph/section should include an example (s of the types of violations that would trigger this Section.

Section 2.1.3 - Clarify whether the exam mentioned in Section 2.1.2 and the exam mentioned in this Section, 2.1.3, are the same or different.

Section 3.2 - This Section should reference a maximum/reasonable fee amount that a proposed course attendee could be expected to pay. It should not be left to the course provider to announce a surprise fee amount at the beginning of the course..
