Hello SoS:

I have a couple comments regarding the new Notary Rules:

2.1.2 **Line 21** I would insert: **retake and**

... The Secretary of State may require a notary who has committed misconduct meriting a disciplinary proceeding to successfully **retake and** complete the training and exam.

2.2.1 **Line 36** I would change **DANs** to **the DAN(s)**

... If the Applicant intends to use a different electronic signature than the **DAN(s)** the applicant must attached ...

2.2.4 **Line 31** I would change **persons'** to **people's** OR **person's**

... assigned DANs against other **people's** access or use

3.3.5 **Line 4 or 4:** suggestion: require the disclaimer to be on the vendor's website.

**Line 29** I would change **or** to **and/or**

... vendor's products, goods, **and/or** services.

It reads better with your changes. Thank you!
