I suggest that the procedure for renewing a notarial term which, as in my case, was accidentally permitted to lapse, be simplified. Now one must complete a course in order to do so. I am 81 years old, and unable to do what is necessary to renew. So I am no longer a notary, although I am familiar with and follow the required procedures. I ask that the procedure be made much easier and simpler, and not require the steps now in the rules.

Thank you. E.M. Heppenstall
