Dear Secretary Williams:

The Colorado County Clerks Association (CCCA) submits the following comments concerning the review of 8 CCR 1505-10:

Recording legislation may be introduced the week of March 2nd which will propose an increase in the \$1.00 surcharge imposed pursuant to section 30-10-421, C.R.S. and provide for the distribution of surcharge funds through a grant program. The CCCA recommends that 8 CCR 1505-10 be allowed to expire and that, in the event the recording surcharge legislation is adopted, temporary rules be adopted to implement the legislation pending promulgation of permanent rules.
