Attachment 1: Potential Cross Jurisdictional Pilot. I would think that this is reasonable; however, there needs to be control. What is in place for "Voter ID" and how will this impact the monitoring and verification of the veracity of the voters?

Attachment 2: Implementation. Option 3 provides the most flexibility and I would recommend Option 3.

Attachment 3: Public Comment Period. No comment.

Attachment 4: Working Draft Election Rules. Sections 8.15.8 through 8.15.11 are assumed to have "SHALL NOT" as some verbiage elsewhere? This is not clear in the document but as long as it is in statute (preceding section 8.15. or 8.15.1) it is OK. Interesting outlook on section 25.

General. What steps are taken regarding voters utilizing cellphones/electronic devices in the polling station?

Kind regards,

Todd Burrous Boyer

Help Shape Colorado's Election Rules

Topic: Rules Concerning Elections

May 15, 2017

What is this about?

Secretary Williams is considering amendments to Colorado's Rules Concerning Elections (8 CCR 1505-1). The changes are intended to improve the administration and enforcement of Colorado election law and to increase transparency and security in the election process.

The main goals of the proposed rulemaking are to:

- Ensure proper administration of legislation recently passed by the Colorado General Assembly;
- Establish uniformity in the administration of current law; Organize existing rules for clarity;
- Eliminate obsolete provisions; Simplify the language of existing rules; and
- Remove language that is duplicative of statute.

We have also included an outline of proposed options for rules implementing propositions 107 and 108 and a cross-jurisdictional pilot program in separate attachments.

We invite you to share your thoughts and recommendations as we develop a preliminary draft of the proposed rules. Please review the attached working draft and proposals.

Why does the Secretary need my help?

The Secretary values your feedback and we would very much like to hear your thoughts. We need your help to identify necessary revisions or additional guidance in order to propose a constructive and comprehensive draft rule for consideration during the rulemaking proceedings. How do I submit my comments and what is the deadline?

You may email your comments to SOS.Rulemaking@sos.state.co.us. To ensure consideration of your comments before we issue the proposed draft, we must receive your comments by 5:00 p.m. on May 22, 2017.
