January 16, 2018

What is this about?

Secretary Williams is considering amendments to Colorado's Rules Concerning Elections (8 CCR 1505-1). The changes are intended to improve the administration and enforcement of Colorado election law¹ and to increase transparency and security in the election process.

The main goals of the proposed rulemaking are to:

- Establish uniformity in the administration of current law;
- Organize existing rules for clarity;
- Eliminate obsolete provisions;
- Simplify the language of existing rules; and
- Remove language that is duplicative of statute.

We invite you to share your thoughts and recommendations as we develop a preliminary draft of the proposed rules. Please review the attached working draft and proposals.
