Thank you for inviting me to be a part of shaping new rules . he Colorado Notary program. I must decline

I am fully retired now, and do not see myself as a notary in the future. I had a long career and was a notary in VT before moving out here to CO. I want to thank you personally , all your staff and those who came before you for always assisting me in a professional and timely manner, no matter the question. I actually learned far more here in Colorado in 20 years than I did in 30 plus years in VT working for the "Bell System."

Good luck to you in the future and to your staff and be safe.
