Hello,

In response to the email you sent out here is my comment/concerns:

Taking an exam every 4 years is acceptable **ONLY** if it can done online. I don't have the luxury anymore of vacation days since I'm under contract and would have to take the time without pay.

Would it be possible to have maybe yearly communications with updates and changes and having the notary attest to receiving and reading such communications vs. taking a test.

Look forward to receiving the outcome via email once it is approved.
