Thank you for the opportunity to comment.

"Amend rules to require notaries to take a notary course and pass an exam in order to renew their commissions."

New notaries should be required to take a class and exam. Existing notaries should be required to take a no-cost, online short refresher exam provided by SOS. Questions will focus particularly on any new rules changes. There will be three opportunities to get a passing score. This refresher should be done within the same time frame given to renew our commission. If not completed by that time, then you must retake the class and exam at whatever fee charged.

I agree with the other proposed changes.

Very truly yours,
