Dear Mr. Williams:

I have been registered as a Notary Public in the State of Colorado for over 30 years, and I disagree with the new proposed rule that would require a Notary Public to take a notary course and pass an exam in order to renew their commission. I feel this proposed requirement is unnecessary and burdensome for the thousands of Notaries practicing in the state, and will not result in any improvement in the quality of the services they provide to the citizens of Colorado. I have no comments on the other proposed rules. Thank you for your consideration.

Guy Williams, Notary Public
