I have been a Notary since the 1980's. I have never been accused of any illegal activities or breaking any of the rules and regulations. Or any problems with being a Notary and not filling out the forms correctly. I believe anyone of my caliber should have a grandfather clause so I do not have to study or have to take a test after all these years. My performance should stand on it's own merits. Ginger L. Smoyer, Notary #19984005583
