The American Kidney Fund appreciates the opportunity to provide comment related to the preliminary draft of the proposed rules for the Administration of the Colorado Charitable Solicitations Act and have the following recommendation:

Current Rule 5.5 states If the deadline for filing a REGISTRANT'S document under the CCSA that is required to be filed by electronic means falls on a Saturday, Sunday, legal holiday, or a day the Secretary of State's physical office is closed, the deadline will still be on that day.

AKF recommends that the deadline should be the next business day if the deadline falls on a Saturday, Sunday or legal holiday. While we understand electronic submissions can be made at any time the practicality is that most charitable organizations will be submitting documents on business days. This practice aligns with other state's and federal reporting deadline dates.
