Comments on the Rules for the Administration of the
Colorado Charitable Solicitations Act (8 CCR 1505-9)
June 26, 2018

- Be consistent with dates and deadlines with the IRS and other filing requirements so that Charitable Organizations do not have to keep track of multiple entity filing rules. In specific reference to 5.5, we encourage the deadline dates that fall on weekends and holidays to be moved to the next business day that is not a legal holiday.
- 5.1.2- We encourage the Secretary of State to compare to section 6-16-104(5) of the Colorado Charitable Solicitation Act, which seems to indicate that the deadline for the financial report is the 15th day of the eighth calendar month after the fiscal year.
