**Subject:** Proposed Rules 8 CCR 1505-1

Good Afternoon,

We have two concerns about the proposed rules 8 CCR 1505-1:

1. **Rule 7.5.1(d)** beginning date to open "DROP BOXES" would be helpful. Considering 1-7.5-707(2.7) allowing for ballots to be provided at DEO office up to 45 days before ED, should DROP BOXES be open before ballots are mailed to general public?
2. **Rule 11.3.2(c)(1)** requiring all counties to use "Ballot On Demand" printed ballots in their Logic and Accuracy tests along with pre-printed ballots. Many counties (Broomfield, included) do not have a Ballot on Demand printer.

Thank you for your consideration.

Sincerely,

Todd
