Thank you for contacting me for opinions on our voting rights. I feel the following issues are most important.

- Easy access to primary/caucus and voting locations
- Numerous voting locations
- Voting rights for all
- Felons voting rights reinstated after serving their sentence
- Automatic voting registration for those over 18 when given a driver's license
- High school registration for all seniors
- Working with the Homeless to ensure their Right to Vote
- Work with Congress to review Districts.
- Make Election Day a State holiday
- Increase the number of days for voting.

Hope this helps.
