Subject: Comments - working draft Election rules

Please ensure without fail that ONLY US CITIZENS vote. I was appalled when working at the DOR drivers license office that the clerks there are required to offer everyone,(including those getting a license on a visa or via the undocumented immigrants program) voter registration. This is SO wrong and has undoubtedly caused our voter rolls to be corrupted.

I also believe that felons should be allowed to vote after release and any probation/parole is completed, NOT BEFORE.
