I noticed this the first time I read this and think it could be confusing. "...collection of ballots by bipartisan teams, of election judges and/or staff, from all DROP BOX locations ONCE THEY ARE OPEN and receive THE BALLOTS into SCORE..."

It sort of sounds like the ballots ARE OPEN, not the drop boxes... Anyway, just my take on it.

Thanks.

Colleen R.

~~7.5.4.7.5.5~~ The county clerk must arrange for the collection of ballots by bipartisan teams, of election judges and/or staff, from all DROP BOX ~~drop-off~~ locations ONCE THEY ARE OPEN and receive ~~them~~ THE BALLOTS into SCORE:
