Re: Proposed Rule Changes

To Whom it may concern,

Under section Z(RTR-2) of the Conditions of Use, after ballots have been printed, a candidate may not be disabled until scanning and adjudication of the ballot is complete. This allows overvotes to be resolved based on voter intent.

Could you please provide further detail on proposed rule 21.11.4(I) and 21.11.4(J) to help clarify if a similar process of Condition Z(RTR-2) would be used to satisfy the proposed rule requirement.
