Date: Tuesday, May 31, 2022 4:07:14 PM

Please, I concur with facts and sentiments issued by USEIP members.
I'm an ordinary citizen of Colorado trying to make a living and love our neighbors and build our neighborhood. All this effort we have to expend in an effort to stop your overreach and unconstitutional power grab is maddening.
Please, respect our freedoms and stop your undemocratic actions with these terrible rules.

Paula Johnson
