This notice is terribly confusing.

The one paragraph says a notary may not use an Interpreter (by the way there is an extra article – I highlighted it)

2.3.2 WITH THE EXCEPTION OF USE OF AN INTERPRETER FOR DEAF, HARD OF HEARING, OR DEAFBLIND INDIVIDUALS, **AA** notary public may not use AN INTERPRETER, a translator, or translator RELATED services to communicate with the individual for whom the notary public is performing a notarial act.

But then it goes on to describe the interpreters that can be used.....
