Dear Hearing Committee and Secretary of State,

I am a commissioned Notary Public and I want to thank you for allowing us a voice in this hearing regarding the Notary Rules. I would like to ask and propose an increase in the amount us notaries are allowed to charged per document. Please consider increasing the traditional notarization fee from \$5 to \$10 per document and the fee for Remote and Electronic Notarizations from \$10 to \$20 per document. Such increases will greatly help us especially for remote notarizations as we have to use certain platforms and are charged a fee in order to use those platforms to perform notarizations. Thank you for your time and consideration of this matter.
