Subject: [EXTERNAL] Audio demonstration"s of voting systems
Date: Friday, July 14, 2023 11:20:50 AM

Greetings,

Thank you for accepting my thoughts. I understand that there may be a rule-making effort regarding demonstrating future voting technology. I would like to suggest that being able to clearly demonstrate new technology and the ability to hear the audio that a blind or low-vision voter may experience will be extremely helpful. Thank you

At your service,
Kevan Worley
