Subject: [EXTERNAL] Proposed Rulemaking Regarding Election Rules

Madame Secretary of State, I'm writing to voice my support for the proposed changes to the election rules in Colorado, I have been a citizen of Colorado and an active voter here for over 13 years, Colorado leads the country in access, transparency and accuracy, these proposed rules will only serve to enhance that standing. We do not want, or need to go back to the "Good ol' Days" of day of, in person paper ballots, reinforcing and clarifying the existing rules and processes as well as providing enhanced security for ballot boxes, the elected officials, and the citizens who oversee our elections is my priority.

I support these changes.

Sincerely,

Patrick Piller
