Madam Secretary:

I wholeheartedly support the proposed changes in election rules. They will further solidify Colorado's elections as the gold standard for the country. As a citizen who regularly participates in the Logic and Accuracy tests for each election (including primaries), and who in 2022 watched the CD 3 recount here in Montezuma County, I can attest to the integrity, accuracy, and professionalism of our county clerk and election clerks, as well as of our election judges.

I appreciate your commitment to the safety and security of our election processes in Colorado. Thank you for your service-

Mary Dodd
Montezuma County
