**Subject:** [EXTERNAL] Colorado voting  
**Date:** Saturday, August 5, 2023 7:24:23 AM

---

I am an Independent voter.

My opinion is that there should be NO mail-in voting. Voting should be conducted on voting day in person only. It should be one voting day across the whole country like it used to be. Voter ID should be required and ONLY legal citizens of the United States should be allowed to vote.

Sincerely, Vickie Gensler, Mead, CO
