For Rule 7.17.2 BALLOT STYLE NAMES, please clarify to allow counties to add characters to the Ballot Style after the standard numbering conventions.

We're good with ballot style naming *starting* with the numbering conventions in the proposed rules. We ask that counties have freedom to add additional characters to the ballot style name after the standard numbering conventions.

Including logical abbreviations/short names has been beneficial for our staff and judges to help keep ballot styles straight when issuing ballots, pulling masked ballots, reporting, etc.

Thanks for your consideration!
